# HELLO & WELCOME

The Church is not a building. It is a gathering of people brought together to experience God's love and purpose.

**God designed the church for YOU** – you belong here. Are you ready to experience a community of people doing life together? To find out, come worship with us on Sunday mornings.

**Our Mission:** To be a loving community of faith dedicated to helping people know Jesus Christ and grow, share, and serve as his disciples.

**Our Vision:** To provide an inviting and welcoming church home that attracts people of all ages and encourages positive growth, while creating an exciting and dynamic approach as disciples of Jesus Christ.

Thank you for worshipping with us! We are happy to welcome you into this household of God.

# GROWING IN GOD

We commit to knowing Jesus through worship, Bible study, and prayer, encouraging continued spiritual growth as His disciples.

## PASTOR'S LETTER

### What A Pastor Wants

Pastor Robbie Carnes

In our spiritual family that we call Fenton First Presbyterian Church we have a variety of people at different levels of spiritual, emotional and physical health and wholeness. It is the goal of this spiritual family to draw each of us, no matter where we are, closer to Jesus. This is a process, or more accurately lifestyle, that we call discipleship.

Many times, we measure growth by involvement in church activities and by a willingness to become a member (and eventually a leader on Session or the Deacon Board). However, growth in our pursuit of Jesus can be more adequately described in another way. Based on the thoughts of Bob Logan (a Christian Leader and Discipleship Coach) I offer the following ideas about what it might look like to be growing in your faith.

**Healthy Foundations.** The seed of faith gets planted in our lives and needs good earth to grow. Are you taking time to worship and to learn about the character of God? Are you trying to act out the mercy of God and the compassion of Jesus by serving your friends, family, neighbors and strangers?

As Christians we are called to know the word of Jesus, follow in the way of Jesus, and do the work of Jesus. These are the fertile soils that our faith grows in best.

**Seasonal Growth Patterns.** One Arbor Day I received seven Michigan White Pine seedlings. I planted them along my back fence. I watered them and weeded around them and all of them died a slow and terrible death. That spring was extra dry, the ground wasn't exactly suited to pine trees, and getting run over by the lawn mower once or twice didn't help either. The season was not right to grow pine trees in my backyard. In the same way, it is the Holy Spirit that accomplishes spiritual growth in our lives. If we try to force it, we might hamper what God is wanting to do with us. It might not be the right season for the kind of spiritual growth that we expect. We may need to spend more time than we like listening and resting in the presence of God. We should all be growing, but Jesus is the Master Gardener and it is his cycles of mulch, planting, fertilizing, pruning and fruiting in our lives that we need to pay attention to, not our own agenda.

**Visible and Beautiful Growth.** Throughout the centuries the Church (and Christians) has been at fault for wounding those it tries to minister to. This is because we may experience growth or find some spiritual reality that we are desperate to share, but, by doing so in a condescending way, we hurt others. Extolling the virtues of a vegan diet may be healthy and fulfilling for you, but complaining about the meat-eating habits of your family at every meal will not raise their affections for you. As we grow in our knowledge of God's love for us, we should also be growing in our sensitivity and love for others. We should be getting better and better at being who we are while allowing others to be who they are.

**Nurturing Community.** Related to the previous point, as we grow spiritually, we become more and more concerned with the spiritual family and spiritual

relationships. It becomes easier and safer to talk about spiritual things and we begin to realize new ways that the Spiritual World relates to the physical one. We also become much more patient with others, especially when they don't agree with us, because the relationship becomes more important than being theologically, socially, or politically right. We recognize that our value comes from what God says about us, not in what we accomplish or what we adhere to. Therefore we can get on with the business of nurturing Spiritual Community and loving relationships in Jesus name.

***How do you see yourself growing along these lines? Have you learned something new about who God is? Has Scripture become real to you in a new way recently? I would love to hear about it.***

## “Jesus the Servant” topics:

### Unit 22 – Jesus the Healer (Mark, Luke, John)

In the Old Testament, God Gave the prophets Elijah and Elisha power to heal diseases and raise the dead. Jesus is greater than the prophets. Jesus not only healed the sick and raised the dead, He also defeated sin and death once and for all when He died on the cross and rose again. Jesus will return one day and eliminate sickness and suffering forever.

6/4 Jesus Healed a Woman and a Girl

6/11 Jesus Healed a Man Who Was Lame

6/18 Jesus Healed a Man Who Was Blind

**Big Picture Question:** Why did God create people? God created people to worship and love God, and show God's glory.

**Unit Key Verse:** *Surely he took up our pain and bore our suffering, yet we considered him punished by God, stricken by him, and afflicted. But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed.* ~ Isaiah 53:4-5 NIV

### Unit 23 – Jesus the Teacher (Matthew, Luke, John)

Jesus preached to many people so they could learn about God. Jesus taught how believers should live, and He told parables about the kingdom of God. He showed that God wants God's people to be saved from sin.

6/25 The Sermon on the Mount

7/2 The Cost of Following Jesus

7/9 Jesus Taught About Prayer

7/16 Jesus Taught About Possessions

7/23 The Good Shepherd

**Big Picture Question:** What did Jesus teach when He was on earth? Jesus taught about God and God's kingdom. He taught that all Scripture is about Him.

**Unit Key Verse:** *All this I have spoken while still with you. But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you..* ~ John 14: 25-26 NIV

## Celebrate Recovery Update

FFPC is no longer hosting Wednesday evening large group meetings, yet we are continuing to hold step studies. Currently, a women's step study meets on Monday mornings, and other women's step studies may be added when that one is finished. We are also discerning the best way to begin a men's step study.

We will remain on the Celebrate Recovery website as a CR contact and a place for step studies as this is common in many churches; resuming large open meetings is a possibility in the future. The Christian Education Committee greatly appreciates Jennifer MacLean's heart and leadership for bringing FFPC this healing ministry of grace, transformation, and redemption. She, too, will remain listed as a contact person for CR on our website and social media since there were often calls that benefited from general CR information.

If you would like information regarding step studies at FFPC, or general Celebrate Recovery information, including information about meetings at other churches in the area, please feel free to contact Jennifer at 810-240-2301 (call or text) or [crfentonmi@gmail.com](mailto:crfentonmi@gmail.com). We engage with our wider community, seeking to be a Christian influence and encouraging others to follow Jesus through service in mission and outreach endeavors.

## Family Fellowship Group

### Leading with Kindness

On May 7 children, youth, and parents created a Kindness Board and Praise Pathway at the front of the church. What a gift it has been to see community engagement with the many uplifting words and pictures! The board will remain through the summer with the following monthly themes: June - Fears Erased Here; July - How can We Pray for You?

### Sensory Garden Wish List

In continuing with our community mission endeavors, youth, children, and families are creating a sensory garden outside church at the corner of Leroy and Elizabeth streets on Sunday, June 11 from 12-2pm.

We are in need of several different plants in 1-gallon containers. Please see the sign-up sheet in Fellowship Hall for what you can contribute, or contact Tina Ritchie or Kelly Sunman-Davis about an appropriate substitute plant. Thanks so much!

## Upcoming Family Fellowship Group Events

Children with their parents are invited to participate once a month with Youth Group events. Please see Kelly Sunman-Davis or Tina Ritchie with any questions.

## Update- Kids on a Mission

Each year our youth group collects food and monetary donations for the Souper Bowl of Caring on Super Bowl Sunday. While planning for that event, Tina Ritchie, our Youth and Christian Education Director, collaborated with Kelly Sunman-Davis, our Administrative Assistant, to include younger children in that event. We came up with the idea to have youth and children make dry soup mixes as a fundraiser for the "Souper Bowl". Because monetary donations are always given to local food charities, the idea arose to use this money to

pay off delinquent lunch accounts for local schools. This would be a fantastic way to show children how to put wheels on our faith. Tina contacted Julie Williams, Superintendent of Lake Fenton Schools, who contacted Mrs. and Mr. Ciesielski from Fenton and Linden schools. Mrs. Williams then shared that the superintendents would like the money to specifically go to children who would normally qualify for free and reduced lunch, but missed out on this due to paperwork funding issues. \$800 was needed at each district, \$2,400.00 total.

FFPC children and youth prepared 62 jars of 3 different kinds of soup, then sold them after worship for 3 weeks, ending on Easter Sunday. The kids also made a promotion video which was shared on our social media accounts with a QR code for online donations. The \$2,400.00 raised was from our congregation.

Children involved are Alina and Rayla Allcorn, Annanbeth, Sam, and Leah Carnes, Zoey Cupp, Emma Davis, and Gracie Magnus.
