April Women's Study Information -Trustworthy - A study of 1 & 2 Kings by Lysa TerKeurst

When hard times come and it seems God is deviating from the plan we assume our life should follow, we're much more likely to want to tame God, not trust Him. It's then that we begin to press into our ways and our own timing. No human can carry the weight of being their own god, but so many of us try.

In this 6-session study we join Lysa in Israel as she honestly reveals the places of distrust in her own heart while exploring the deeply personal applicable Scriptures that will teach us how to truly trust God.

This group is reading the book "Flood and Fury: Old Testament Violence and Shalom of God" by Matthew J. Lynch. This book discusses how the destruction and killing in the Old Testament (Joshua and the Flood) can cause us to question whether God is true and just.

Starting on April 7th, the group will be reading, "The Fifth Gospel", by Bobby Conway. This book is different. It's an invitation to actually live out the message of the gospel.
