Advanced Directive Seminar - Do you know what your end of life wishes are? Do you know people who know what you want? These are important questions as we navigate old age and health care. We may not always be able to voice our choices about our health care and we need to plan ahead and make sure others are equipped to speak for us if we cannot.

October 27th, after the Worship Service, Our very own Heidi Beasley, will be sharing how to establish an Advanced Directive and Durable Power of Attorney for Health Care. This will be a free and very helpful 35 minute seminar. Come with questions!

Refugee Information! It is really wonderful that there are now so many opportunities to get involved locally in the important work of refugee resettlement. To keep it all organized, we now have a sign-up-genius site to list all of the needs for both donations and volunteers. You can check it out here.

Don't forget, if you are interested in any of the opportunities that will involve working directly with refugee arrivals, please register as a Samaritas volunteer using this link. The process is simple! And our Amazon registry is always being updated with our current needs. You can use our wish list link to have items shipped directly. Finally, as more refugees arrive we would love to have more volunteers. Please consider sharing this email with a friend!

For more information or to volunteer please visit <https://ffpc.org/samaritas/> or scan the code

Do you use the T Coil hearing loop? If you are having trouble with the system, please info Mike Cupp.

During the event clean-up buckets will be assembled and clean, plastic shopping bags will be cut into strips to make plarn which will later be made into large waterproof bags to carry items. Sign up for this event in fellowship hall. To learn more about DRAW, go to drawbuckets.org
